with 5 adjustable steel shelves

weight:

approx 130kg (300lbs)
custom sizes available - please enquire

leather colour can vary from hide to hide and will change naturally over time based on use and exposure to sunlight • hides are selected from the finest leathers with natural variations in colour, veining, marks and scars • such characteristics should therefore not be considered as faults • this is a natural, unfinished leather which has a silky soft feel and should be treated with care as it can bruise if it comes into contact with hard or sharp objects

leather and steel cupboard

two door blackened steel cupboard with leather wrapped front panels and matt black interior
